

What is the age requirement to be eligible for the scholarship?

The scholarship is aimed at those graduating high school (typically 16-19 years old) entering post-secondary or who are high school graduates going into college, CTE, trade-school, adult school, or any other post-secondary education that has some kind of enrollment fee. Please do not let age be a factor in your consideration for applying for this scholarship. If you are entering into or continuing your post-high school education, apply.

What is the word requirement for the scholarship?

A good average word count is 500 words per question, however, if you need more or less to convey your interest, please utilize whatever word count you need in order to tell your story.

What is the award amount?

Award allotment is dependent on the total number of applicants, as well as the score that your submission is given by the selection committee.
