CSET INSPIRES YOUTH, FAMILIES, AND COMMUNITIES TO ACHIEVE SELF-RELIANCE THROUGH INNOVATIVE PATHWAYS AND COLLABORATION.

COMMUNITY IMPACT IN TULARE COUNTY FY 2019-2020

Since 1976, Community Services Employment Training (CSET) has been the Community Action Agency for Tulare County. Community Action Agencies (CAAs) are nonprofit organizations established to fight America's War on Poverty.

CSET shares a vision for residents to gain the knowledge, skills, and resources needed to achieve the American Dream. Our decades-long commitment to serving the people of our county remains strong. We continue to create and implement innovative and cost-effective programs that improve the living conditions and opportunities of low-income residents. Local government, nonprofit organizations and other collaborators are vital partners in this work.

We invite you to learn more about what we do and hope that our work inspires you to join us on our mission to inspire youth, families, and communities to achieve self-reliance through innovative pathways and collaboration.
