## KELLY'S STORY

Throughout high school, Kelly actively sought out extracurricular opportunities to pursue her goals. CSET's #LEAD Youth Leadership Program was one such opportunity; there, she gained confidence and proved herself to be dedicated and dependable. The #LEAD program introduced Kelly to FoodLink Tulare County, where she volunteered while simultaneously pursuing her interest in becoming a seamstress and starting her own business. Kelly gained work experience with Annabelle's Bridal

Boutique, developing customer service skills, learning how to do alterations, and gaining insight into the logistics of running a business. Today, Kelly is finishing up her senior year at Golden West High School and interviewing for a position with one of her favorite stores, JoAnn Fabrics and Crafts. We wish Kelly all the best in her future endeavors and look forward to what she will bring to her community!
