

PUBLIC NOTICE

Request for Proposal

CSET invites prospective contractors to submit their qualifications to provide weatherization services. CSET Weatherization Program aims to reduce energy costs for low-income households within Tulare County by providing no-cost/no out of pocket installation of measures to make their homes more energy efficient, comfortable and safer places to live.

Funding sources for the weatherization services are under but not limited to the following programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Department of Energy (DOE)
- Bipartisan Infrastructure Law (BIL) Department of Energy (DOE)

Contractors may apply for one or all of the weatherization service contracts for which they qualify including:

- Heating and Cooling Repair/Replacement
- Water Heater Repair/ Replacement
- Electrical Inspection Repair/ Replacement
- Gas/Electric Range and Kitchen Repair/Replacement
- Insulation Replacement- Knee wall, Floor, Wall, Ceiling insulation

CSET intends to procure qualified service providers for the term of the contract from November 01, 2023 through November 30, 2024. At the option of CSET, the contract can be extended and renewed for an additional 1-year period and/or up to 4 years contingent upon funding and provided that all terms and conditions remain unchanged and in full force and effect. This option, if exercised, required the mutual agreement of BOTH parties. The agreement is for weatherization services, under but not limited to the following programs; LIHEAP, DOE and BIL DOE and other weatherization programs. CSET estimates to weatherize a total of 250 households.

The Request for Proposal packet will be available Monday, October 23, 2023 please visit the CSET website at www.cset.org for more information about this RFP and or to obtain a packet. Sealed proposal packets are due:

Monday, November 13, 2023 by 5:00 P.M.
