Recycling Services

Since 1986
Building Lives
Building Communities
Building Character

Tulare County Youth Corps (TCYC)

In cooperation with the California Department of Conservation, Division of Recycling, the TCYC has built an infrastructure that promotes and provides convenient recycling of beverage containers in Tulare County and the surrounding mountain recreation areas. The TCYC maintains more than 400 collection receptacles at local schools, at bars and restaurants, in city and county parks, at gas stations and convenience stores, and in Sequoia & Kings Canyon National Parks.

Corpsmembers are responsible for servicing all containers in a timely and efficient manner. They operate a full-time Goshen Recycling Center and educate thousands of K-12 students about recycling at home, at school, and throughout the community.

TCYC recycling services and their benefits include:

COMMERCIAL RECYCLING

- We provide your business with a **free** recycling program that we maintain for you.
- You gain great promotional opportunities, while supporting the youth of your community.
- Some participating businesses are:
 - Visalia Unified School District
 - Kaweah Delta Hospital
 - Tulare District Hospital
 - Local gas stations & convenience stores

SPECIAL EVENT RECYCLING

- Recycling containers at local stadiums.
- Attractive collection containers placed at locations of your choice.
- Litter abatement services.

SCHOOL RECYCLING & EDUCATION

- **Free** presentations for students in grades K-12 and at SCICON, an outdoor science and conservation camp.
- CRV containers for schools—100% of the profits earned from CRV collections are returned to the school.
- We currently provide these services to more than 50 schools.

MULTI-FAMILY RECYCLING

- CRV collections at multi-family complexes.
- Fun recycling contests at multi-family complexes to encourage recycling at home.

GOSHEN RECYCLING CENTER

- Fully equipped to sort and package CRV materials.
- Convenient recycling opportunities for rural residents.
- Staff members strive to provide high quality customer service.

MOUNTAIN RECREATION & NEIGHBORHOOD PARKS RECYCLING

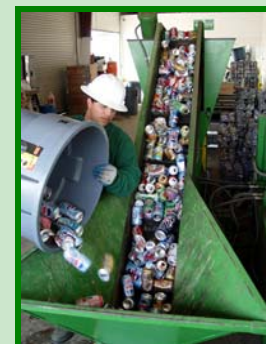

- CRV collection containers are placed in neighborhood parks in Tulare County.
- More than 364 recycling containers are located in the Sequoia National Forest and Sequoia & Kings Canyon National Parks.

HOW CAN YOU SUPPORT TCYC?

The services provided by the TCYC depend on strong partnerships with organizations that provide meaningful work projects. By contracting with the TCYC, your organization will gain the high quality, cost effective services of a motivated work force, while supporting young adults on the path to self-reliance.
