KIMBERLY'S STORY

Kimberly joined CSET's Sequoia
Community Corps in February 2018. As
a Corpsmember, Kimberly challenged
herself to learn all about CSET
programs and how they help
individuals, families, and communities.
This knowledge served her well as she
gained experience in reception at
CSET's busy main office, providing
information on the many services and
activities. Her dedication to learning
and drive to develop new skills
prepared her for employment as a

Program Specialist with CSET's Energy Department in October 2018. Kimberly is grateful for the opportunity to learn and grow as a person, thanks to Mari Espinoza, Rachael Rodriguez, Christy Onsurez, and Jennifer Azevedo. Through their collective guidance paired with Kimberly's own initiative, she reached her goal to work for CSET. Now, as a Program Specialist, Kimberly continues to pay it forward, helping others as she was by the Sequoia Community Corps.
