ILIANA'S STORY

Iliana began her career at CSET as a Corpsmember in the Sequoia Community Corps in April 2014. Since then, she has moved through the program and now works with CSET's Finance Department as a payroll accountant. Iliana went back to school and completed her Bachelor's in Business Management and Master's in Business Administration from Fresno Pacific University. When asked about her journey, Iliana says "When I look back and see how much I have grown with the agency, I remember clearly coming into work as a Corpsmember

answering phones, wishing I would get hired and be part of CSET. I worked hard and kept my goal in mind. I literally feel like I started at the bottom of the ladder and worked hard to be where I am today. I wouldn't have it any other way because it makes me appreciate everything I have worked for." Iliana is grateful for her journey with CSET because it led her to where she is today. Iliana looks forward to continuing to grow with CSET and hopes to use what she has learned to help others.
